How To Declare a Minor:

Students may declare a minor by completing the "Academic Change Request Form" and submitting it to the Advising Center office. Students are responsible for meeting the requirements listed in the Catalog for the particular minor. The Registrar's Office will verify and record this achievement upon the student's graduation. Minors are not required unless a particular degree program; e.g., a Bachelor of Fine Arts, so specifies. Minors must be selected from the same Catalog that is used for meeting major requirements.

FYI:

Earning a minor in a particular subject area is a great way to complement your major area, as well as give some focus and direction in choosing your elective courses. Minors may be earned in almost every major area offered at JU. There are even some minors available in areas where no major exists; e.g., criminal justice, international studies, religion, etc. Most minors require about 15-18 hours. **Students electing to pursue the requirements of a minor must attain at least a "C"(2.0) average in all the courses required of the minor and at least six credit hours of the minor must be completed at JU**
